

THE GREAT PUMPKIN will NOT be making his 39th Annual visit to NELSON LEDGES this October.

Rumors are becoming facts. Western New York Region has been advised that the track will be closing before the scheduled Great Pumpkin Affair weekend of October 25-26, 2008. The Region has not been given details about immediate or future plans for Nelson Ledges.

Efforts were made to relocate the event, but a viable alternative was not found. With time for organizing an event and for planning on everyone's part growing short, the WNYR Board of Directors has elected to cancel the October, 2008 event. Efforts will continue toward presenting the 39th Annual-In-Forty Years Great Pumpkin Affair in 2009.

THANK YOU to all of the PUMPKINEERS who have made THE GREAT PUMPKIN AFFAIR such an enjoyable part of club racing, a 38-year-long party.
