12 Hours of Nelson

Presented by Carbotech Performance Brakes

August 20-22, 2010

Nelson Ledges Road Course, Garrettsville, OH

Well, here it is. Sorry we are running a little late again but we were trying to come up with something that would help us all out. Almost everything you want to know about the 2010, 12 Hours of Nelson. We had to keep it as a 12 hour as most of the teams in the last couple of years had a hard time coming up with team members.

The following information is just a rough idea what the Supps will be and in no way should it be considered Supps and is just for general information.

First and most important, entry fee will stay at a LOW \$ 600 per car. The intent fee of \$100 will be applied to the entry fee. The balance of \$500 will be due with the entry form no later then Aug. 2, 2010. We hope with this economy, this will help more teams to enter. Remember, the more teams that enter, the more the budget will allow us to do.

The Intent To Enter fee is due by July 1, 2010. Full refund will be given if written cancellation is received by Aug. 1, 2010. Entries and/or fees received after Aug. 1, 2010 may be subject to a late fee on \$100.

Next and also important, like last year, there is no driver limit. The only limit will be on team size. The whole crew can be drivers as long as they are properly license and credentialed

While on drivers, a driver can drive more then one car on a team (or should that be any other team) as long as he does not exceed his/her allowed driving time. If the Supps say he/she can drive 4 hours, he/she can put 2 hours in one car and 2 hours in another. A Driver's log must be kept and will be checked.

The 12 Hour is tentatively schedule to start at 11 AM, and finish at 11 PM with awards at 12 PM. At your request, more night time then last year. More on the schedule with the Supps.

In addition to the 12Hr., we will be running a Double Regional on Sunday. This was well received last year and helps keep costs down. The regional races will be open to all the standard SCCA regional classes. If your drivers have not had enough racing, they can bring their cars along for the regional on Sunday.

We can tell you more officially after the Supps have been approved for both the 12 hour and the regional.

If you have any questions or comment, please drop us an e-mail at the address at the bottom of the Intent form. We prefer e-mails over phone calls so we can share with the committee. This is **YOUR** race. Be involved.

As in the past, it will be a pleasure working with you. Be sure you have neo.enduro@gmail.com in you contact list.
